Click on one of those to search for colleges or universities in Nebraska or nationally
5. Search for colleges by: Name, or State/Location, or Degrees and Majors, etc.
6. Once you have found a college you would like to do an inquiry on –click on the Name of the college.
7. On Nebraska Career Connections you will be able to find:
 - the Name with address & phone number
 - the college's web site address
 - the size of the college
 - the affiliation
8. You will need to go to the College's Admissions page(s) to find:
 - look for keywords like admissions, prospective student
 - the ACT or SAT entrance requirement
 - the number of years of high school subjects required for admission to the college and also perhaps special requirements for particular programs of study
 - the programs of study the college offers
 - activities offered at the college- look for key words like campus life, student life, etc.
 - campus ministries available at the college–might be found under campus life, organizations, etc.

Important Note:

★ When you find colleges of interest, always click on the yellow star to save it into "My Portfolio." Then you will be able to return to all your favorites in your Nebraska Career Connections account.
