

Early Dismissal Policy

This policy allows 11th and 12th grade students to have an early dismissal after 7th period. Students are allowed to leave one period early with parental permission and after signing out from the office. If they take advantage of this option, their schedule will reflect an “early out”- NOT a study hall.

Students who choose this option are required to **leave school grounds** after 7th period (2:40 pm) and not return until the regular school day is completed at 3:34 pm. Before leaving, the student must sign out at the office to ensure that they are not remaining in the building unsupervised. A parent permission form will need to be signed and on file in the office. Lincoln Christian is not liable for students’ actions once they have signed out of the building.
