Guidelines

1. Choose words that best describe what YOU are really like.
2. WORK QUICKLY. Avoid agonizing over your choices.
3. Your INITIAL CHOICE or reaction will usually be the best choice.
4. On each screen, be sure to use ALL four numbers, and use each number ONLY one time.

Throughout this survey you will rate a set of words on a 4,3,2,1 scale - 4 being the word MOST like you down to 1, for the word least like you.

Technique

This assessment may look similar to others you have taken, but there are some important differences in the way Personality I.D. analyzes your responses.

- * Assign a 4 to the word that BEST describes you.
- * Assign a 1 to the word that LEAST describes you.
- * Consider the two remaining words & give the word that's more like you a 3. The remaining earn the value of 2.
