## **ELEMENTARY PARENT/STUDENT HANDBOOK**

Welcome to Lincoln Christian School! Lincoln Christian is a school of excellence, with certified teachers teaching students about “God’s world, in the light of God’s Word.” It is our goal that all students grow in all areas of life, even as Jesus did, “...in wisdom and stature, and in favor with God and man.” (Luke 2:52) We desire that each student will learn to know God better and prepare to serve Him as they study.

The contents of this handbook are for the purpose of helping you to better understand the workings of our school, its philosophy and its requirements. The teachers and administration are ready to help you in its interpretation at any time. If you have questions, please don’t hesitate to ask.

**Mr. Marty Riley**, Elementary Principal

### **EDUCATIONAL SUPPORT OPPORTUNITIES**

**Search and Teach** is an early intervention, research-based program that is developed to help young learners before they experience frustration in school. **SEARCH** is a 20-minute individual test designed to identify 5 and 6-year-old's strengths and weaknesses in the readiness skills necessary for reading success. **TEACH** is a program of 55 learning activities (tasks) designed by Archie Silver, M.D. and Rosa A. Hagin, Ph.D. that address the individual needs revealed by the **SEARCH** scan. These tasks are organized into visual, visual-moto, auditory, body-image, and intermodal skill clusters which relate to the results of the **SEARCH** scan. All Kindergarten students are given the **SEARCH** scan in the fall and results are shared with the parents. Parents of children who qualify will be given the option to enroll their student in the **TEACH** program at no cost to them.

**RX for Reading** builds success and confidence through directed reading instruction in small peer groups. It includes activities for phonological processing, phonics, fluency, vocabulary, and comprehension development. A student can be referred by a parent or a teacher after a Developmental Reading Assessment (DRA) and/or Measures of Academic Progress (MAP®) score that indicates below grade level performance. After meeting with parents, the Kaufman Test of Educational Achievement (KTEA-3) will be given. This intervention is provided at no cost to the family aside from a fee of \$40 each year for consumable student materials.

**RX for Math** builds success and confidence through math instruction in small peer groups. It includes activities for strengthening number sense, math fluency, math vocabulary, and problem-solving strategies. A student can be referred by a parent or a teacher after a

Measures of Academic Progress (MAP®) score that indicates below grade level performance. After meeting with parents, the Kaufman Test of Educational Achievement (KTEA-3) will be given. This intervention is provided at no cost to the family aside from a fee of \$40 each year for consumable student materials.

**RX for Writing** Language, higher-level thinking skills, and written expression are developed as students implement grammar, spelling, and usage rules when editing their own written work as well as the written work of others. The Kaufman Test of Education Achievement (KTEA-3) will be given. This intervention is provided at no cost to the family aside from a fee a \$40 each year for consumable student materials.

**NILD Educational Therapy / Brain Abilities** is a partner program with Lincoln Christian School. This intervention is for students from grades 3-12 with average to superior intelligence who continue to struggle in the classroom due to one or more difficulties in perception, cognition, processing speed, working memory, fluency or academic skills. Educational Therapy differs from tutoring in that the cognitive and perceptual weaknesses are strengthened to support independent and individual learning. An educational battery of formal and informal tests are used to determine areas of strengths and weaknesses and to identify the presence of specific learning difficulties. The goal of Educational Therapy is to move the student toward independence and success in the regular classroom and to realize his/her God-given abilities. Parents who are interested in this program may contact Beth Rexilius for more information.

### **LIBRARY, COMPUTER LAB AND TECHNOLOGY**

Resources in the library are available for the student's use. Books may be checked out. Lost or damaged books and materials must be replaced by the person responsible.

The purpose of Lincoln Christian School is to teach the truth by studying each subject from the viewpoint of God’s Word.

Teachers are committed to this purpose and desire to have each student see that God created and sustains all things, and that He controls and works in the affairs of people. True wisdom can only be obtained through God’s truth as He is the Truth. Jesus said, “I am the way, and the truth and the life.”

Textbooks are chosen from a variety of publishers, Christian and secular, that best meet the goal of agreeing with God’s Word and also being strong academically.

### **Health Office**

The Lincoln Christian School Health Services Office makes the students' health a priority. The State of Nebraska provides Guidelines and has state laws and regulations governing medical record-keeping. Provided services include, but are not limited to: Health screening and immunization monitoring, controlling the spread of communicable diseases, nursing consultations, a system for dealing with medical crisis situations, medication administration, and evaluation of the health program.

The State of Nebraska requires certain health records to be on file for the enrolled student:

- **Immunizations:** All students will have a current immunization record updated as needed. Kindergarteners (and 1-6<sup>th</sup> graders) are required to have: 3 DTP (at least 1 after 4 years old), 3 Polio, 2 MMR, 3 Hepatitis B, 2 Varicella (chicken pox). Exemptions may be Religious or Medical in nature but must either be notarized or signed by a physician.
- **Physical exams:** All incoming kindergarteners must have a physical exam signed by a physician, PA-C; APRN. This also must include a vision exam, as well as a dental report. Any student that transfers in from out of the state of Nebraska must also comply with the above.
- **Health Screenings.** The student Health Services will conduct a health screen for students Pre-K through 6<sup>th</sup>. All will have height, weight, BMI, and dental screens performed and selected grades will also include audio screening and vision screens for distance and near acuity.

### **Illness**

If a child is ill, parents should call the school by 8:30 AM to let the administrative assistant know of the absence. Students shall be "symptom-free" for 24 hours before returning to school. If there are questions regarding a student's attendance at evening activities in the event (s)he is absent due to an illness, please understand that if the student is home for the school day with a communicable disease, they are not allowed to participate in the afterschool activity due to the risk of exposure to others to potentially contagious or communicable diseases. Return to school means temperatures are < 100 degrees F without fever-reducing medication, no vomiting, or diarrhea episodes of <2. If the child becomes ill at school, the teacher will refer the student to the school nurse for assessment. No self-texting or calling home for pick-up is allowed without the school nurse's assessment and referral. The nurse will notify parents as necessary if an injury needs follow-up by a medical practitioner, an illness with temp > 100, evidence of contagiousness, or no improvement in condition. Emergency contact information is to be current for these notifications. A cot is available for the child to lie down on and wait for pick-up.

Any medication either over-the-counter or prescribed must be kept in the health office with a request form signed by the parent. If prescribed and on-going, further paper work is required and will be submitted to the health office.

If your child should not participate in PE or Recess due to a specific physical problem, a note should be sent to the teacher and school nurse stating the reason.

### **Concussion**

Return to Learn: A “Return to Learn” protocol is available for students who have experienced a concussion. This protocol involves the Health Services Office, Principal, teachers, and families working in collaboration to monitor symptoms and allow the student a safe way to ease back into the learning/classroom environment. Students who are suspected of having a concussion should immediately notify the Health Services Office or Athletic Trainer.

### **Leaving Campus**

Students are not allowed to leave the school building during the day unless directly supervised and permission has been granted by a school employee.

### **Planned Absences**

Planned absences should be cleared with the teacher and the school office ahead of time. Assignments should be completed before the absence. If the absence is for several days, the student should take books and assignments along to avoid falling behind in schoolwork.

### **Tardies**

Parents should make every effort to get children to school on time. Students arriving late should stop at the office. Frequent tardies will be addressed by the teacher and principal.

## **COMMUNICATION**

### **Parent-Teacher Conferences**

These are held at least twice a year for the purpose of evaluating each student’s work and progress. Throughout the year, parents and teachers are encouraged to have conferences as needed.

### **Weekly Communication**

Classroom teachers will communicate classroom specific information each week of the school year.

### **Crusader Newsletter**

LCS sends out an online newsletter every Friday with important announcements and school information. Lunch visitors must sign in at the office upon arrival.

Students from other schools may visit only upon prior approval of the administration or teacher.

## **PHONE / WATCH USAGE AND PERSONAL DEVICES**

It is not recommended to bring personal electronics to school. Personal phone calls may be made by the student with permission from the teacher. Cell phone use is not allowed unless directed by the teacher.

Cell phones and devices will not be allowed before or during school unless school issued or directed by the classroom teacher. After school they may use their phone to contact a parent for transportation once they leave the building.

### **Spinners and Other Non-Approved Fidget Devices**

Spinners have become a distraction in school, so please leave them at home. If students have them at school, the teacher may take the device and hold it until the end of the day. If confiscated a second time, a parent will need to pick it up.

## **SPIRITUAL LIFE**

### **TEACHERS**

All teachers are Christians who have put their faith in the Lord Jesus Christ as their personal Savior from sin. Their desire is to see students grow in their relationship with Christ. They are available for help and counsel.

### **INSTRUCTION**

All subjects are taught from the viewpoint of God's Word. Bible classes are taught to both increase a student's knowledge of the Bible and also to encourage growth in faith and obedience.

### **CHAPEL**

Weekly chapel programs provide opportunity for student participation. They provide a means of group worship and spiritual challenge.

### **PRAYER TIMES**

Teachers meet regularly for prayer times. Students have regular prayer times in the classrooms. Mothers of students also meet weekly for prayer at the school.

## **CHRISTIAN SERVICE**

Many students are involved in music groups that perform at programs during the year. Students in fifth grade are involved in visiting residents in a nursing home once a month.

## **STANDARDS OF CONDUCT AND DRESS**

### **CONDUCT**

God tells us in His Word, “Let no man despise your youth; but be an example of the believers in word, in conduct, in love, in spirit, in faith, in purity.” (I Timothy 4:12)

It is the goal of Lincoln Christian School to maintain high standards of behavior. It is important that students show respect toward spiritual things, as well as to teachers and others in authority. Students should be courteous and respectful toward each other.

Profanity and abusive or unwholesome language must not be a part of a student’s vocabulary. Our goal must be: “Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my strength and my redeemer.” (Psalm 19:14)

The Bible speaks of our body as the temple of the Holy Spirit (I Cor. 6:19, 20). Nothing should be put into the body that could harm it. Therefore, the use of tobacco, alcoholic beverages and harmful drugs shall not be a part of a student’s life, either on or off campus, and will be considered serious misconduct.

Conduct in the building, halls, restrooms, and classrooms should be quiet and orderly. When entering the building, students should become quiet and move in an orderly manner to their classroom or activity.

Bicycles are to be parked in the designated parking areas. There is to be no riding, sitting on, or meddling with them before, during, or after school except to arrive and to go home.

Damage to or loss of school property must be paid for by the student responsible.

Other procedures may be added if the need arises. These standards apply to any school-related activity.

## **STUDENT HARRASSMENT AND BULLYING**

It is the desire of Lincoln Christian School to maintain a safe learning and work environment that is free from sexual harassment and/or bullying. Students, parents, and staff are expected to conduct themselves in a manner that is glorifying to God, to demonstrate respect and love for each other. (1 Thessalonians 5:11, John 13:34-35)

Any form of sexual harassment and/or bullying is absolutely prohibited. Any incident of possible sexual harassment and/or bullying should immediately be brought to the attention of a teacher and/or principal, who, if deemed necessary, will notify the superintendent. A thorough investigation shall be made by the superintendent and/or his designee. Parents will be notified immediately. After reviewing all the facts, upon the recommendation of the principal, the superintendent will make a determination concerning whether reasonable grounds exist to believe that harassment has occurred. Disciplinary action, up to and including expulsion will be taken against any student found to have engaged in harassment. In addition, local law

enforcement will be notified to investigate if the administration believes that a criminal offense may have been committed. The superintendent may, in his discretion, suspend the alleged perpetrator during the course of the investigation, if he deems such action is in the best interests of all parties.

Any party who reports a complaint of alleged harassment and/or bullying in good faith may do so without fear of harassment or retaliation. The confidentiality of the complaint will be protected to the greatest extent possible, however, subsequent information which may be reasonably revealed as part of a thorough investigation and the privacy of the individuals involved cannot be guaranteed.

Bullying occurs when a person or group is intimidated, frightened, excluded, hurt, or suffers mental distress as a result of a pattern of behaviors directed at them by others. The following is a list of behaviors that may fall within the boundaries of what constitutes bullying:

- Physical aggression – including hitting, punching, shoving, biting, hair pulling, scratching, spitting, touching, or kicking.
- Teasing or verbal abuse – including putdowns, insults, names, racial and sexual remarks.
- Exclusion from activities, groups, conversations, and shunning.
- Gossip or slander.
- Setting up humiliating circumstances and experience.
- Damaging a person's property/possessions or taking them without permission.
- Threatening gestures, actions, or words.
- Retaliation for reporting bullying behaviors to adults.
- Written or electronic (cyber) messages that contain threats, insults, teasing, or put downs.

Sexual harassment includes:

- Unwanted sexual advances.
- Making or threatening reprisals after a negative response to sexual advances.
- Visual conduct: leering, making sexual gestures, display of sexually suggestive objects or pictures, cartoons, or posters.
- Verbal conduct: making or using derogatory comments, epithets, slurs, and jokes.
- Verbal sexual advances or propositions.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes, or invitations.
- Transmitting or posting of any harassing comments or other allegations of a sexual nature, or inappropriate pictures or graphic images via text, email, social media, or the internet.
- Physical conduct: touching, assault, impeding, or blocking movement.
- Any conduct of a sexual nature which creates an intimidating, hostile, or offensive work environment.

This policy shall be reviewed not less than annually to ensure compliance with local, state, and federal laws.

### **DRESS STANDARDS**

Lincoln Christian School requests the parents' support by instructing their children in Christian modesty and appropriate dress. Our personal appearance reflects on our Lord as

well as the name of Lincoln Christian School. Our appearance can relate to our personal testimony for Jesus Christ. Therefore, each student is expected to evidence Christian discernment in this area (I Timothy 4:12).

Simply put, a student's appearance should be neat, clean and modest. Tight-fitting and/or extremely loose garments are not appropriate.

## **HAIR**

- No unnatural hair colors or highlights of unnatural colors.
- No extreme hairstyles will be allowed.
- Additionally for boys:
  - Hair length in back shoulder not extended beyond the collar.
  - "Extreme hairstyles" include ponytails, buns, and/or shavings/ designs in the hair.
  - Hair length in front and on top should be styled and not excessively long.

All of the dress code standards will be enforced during classroom hours, as well as when students participate in school activities, exempting athletic uniforms and costumes approved by the activity director and activity sponsor.

As objective as we would like to make the dress code, it is an area that some subjectivity will always exist. Our goal is to partner with parents in helping to provide an environment in which they can be confident that "dress" does not become a distraction or create contention. The administration reserves the right to make discretionary judgment regarding the appropriateness of student dress, hair, and fashion not explicitly covered in this dress code. We appreciate your support in this area.

**The final interpretation of this code remains the responsibility of the administration.**

**Overarching Standard:** Question on dress not specifically addressed in these standards will be clarified by administrators as they arise.

**Writing and Graphics:** Any writing or graphics worn to school on any article of clothing or accessory, must represent a message that promotes Godly character and is in-line with school values.

**Shirts:** Skin on the stomach and back must be covered at all times. No undergarments (slips, camis, etc.) may be worn as shirts.

Sleeveless dresses and tank tops are permitted for girls. Straps should represent a shirt and not an undergarment. A two finger width is a good guideline. Tank-tops are not allowed for boys.

**Shorts & Pants:** Shorts and pants must have a hem, rips and holes are not allowed.

Athletic shorts may be worn, but the student must be able to place their palm so that their index finger touches their knee and their wrist touches their shorts. If the hand can't reach both, the shorts are too short to be worn in school.

Cotton sweat pants may be worn to school as long as they are neat, clean and modest.

Tight clothing must be worn under something. We encourage the concept of "layering." Such clothing items that would require layering are leggings, yoga pants, etc.

Tighter fitting, non-transparent pants are allowed with long shirts that are a length that promotes modesty by extending fully below the waist line and fully covering the buttocks.

**Skirts & Dresses:** When standing, students must be able to place their palm so that their index finger touches their knee and their wrist touches their skirt or dress. If the hand can't reach both, the skirt or dress is too short to be worn in school. Students are encouraged to wear shorts or leggings under dresses and skirts in order to be modest while sitting and on the playground.

Hats and or head coverings may not be worn during school.

Extremes – No extremes are allowed such as hair color, piercings, etc. as they can quickly turn into areas focused on challenging accepted standards or seeking individual attention. Earrings are not permitted for boys.

All requirements of dress (other than offensive clothing and clothing that is not modest) may be subject to change on a particular day or special event.

## **DISCIPLINE**

Discipline is designed to teach. High expectations and standards will be in place. These are desired and justified. While there are certainly consequences for sin, Lincoln Christian School takes a grace-based approach as our Lord and Savior did for all of us!

The atmosphere of the school must be conducive to learning, safe for each student physically and emotionally, and encourage respect toward God and His Word. When student behavior or attitudes dishonor God and are harmful to the atmosphere of the school, appropriate teaching will take place along with the appropriate consequences.

Students who exhibit negative behavior or attitudes will be counseled regarding their response to God's standards, and encouraged to grow in their relationship with God and their obedience to Him.

### **Enforcement Procedures**

Actions which show evidence of disobedience to school rules, disrespect, lack of courtesy, general disturbance, and other such misconduct, will be first handled by the teacher. Situations which are chronic or flagrant will be referred to the administration.

Each situation will be dealt with on an individual basis. No two situations are exactly alike. Proper teaching and discipline requires great discernment and wisdom based on all factors of

each situation. Consequences will be applied as appropriate, ranging from simple one-on-one counseling all the way to expulsion from the school.

All volunteers must complete the necessary paperwork which can be found in the office or on the school website.
