

Lincoln Christian Preschool Enrollment/Re-enrollment

Our enrollment/re-enrollment process has **FOUR tiers** which each have separate timelines. While this is a lengthy document, you simply need to identify which tier your family falls into and follow the instructions accordingly. If you have questions along the way, please don't hesitate to ask. We're here to help you through. Contact information is located at the bottom of this document.

BEFORE YOU IDENTIFY YOUR TIER, PLEASE NOTE THE FOLLOWING

- **Please DO NOT APPLY, or reenroll, prior to your tier's timeframe. Correctly submitted applications are processed first.**
- **All first-time students are required to complete a two-step process: the application step and the enrollment step.**
- **Application and Enrollment packets open at 9 AM on all of the specified opening dates.**
- **If you are a current Lincoln Christian Preschool/School family, to apply or re-enroll, please use [Factsmgmt.com](https://factsmgmt.com) and log in using our district code (LCS-NE), your username and your password. If you do not know your username or password, please contact Brittany Larson at brittany.larson@lincolnchristian.org in advance of this process.**
- **If you are new to Lincoln Christian Preschool (or returning but do not have a child here currently) you will need to create an account in order to apply. Please use [this link](#) on our admissions page to create your account. Accounts can be created prior to your tier's timeframe for submitting applications.**
