Program Distinctives

LC Preschool...

- Bible-based!
- Operates within a Safe, High Quality school environment.
- Encourages respect for others, as God’s creation.
- Encourages Parent Classroom Involvement
- Offers low Teacher/Student ratio.
- Academic FUN!!
- Utilizes Child Initiated Learning AND Teacher Guided Learning.
Our Philosophies

We believe that each child:
- is a unique creation of God, made in HIS image.
- learns by actively participating, exploring, and discovering every moment of the day.
- grows developmentally in predictable steps but at his/her own pace.
- learns by daily example.
- we believe learning is most meaningful when it is integrated across all areas of development!

If a student/parent believes he/she is offended by the words/actions of a teacher, as a fellow Christian he/she should always go first to the teacher through whom the offense came and share this with him/her (Matthew 18). If after consulting together and praying for mutual understanding, there is no reconciliation, then they should agree to go together to counsel with the Director/Administrator. This step should come only after talking to the teacher first.
We believe...

1. that salvation is by grace alone, through faith alone, in Jesus Christ alone.
2. the Bible to be the inspired, the only infallible, authoritative Word of God.
3. that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
4. in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
5. for the salvation of the lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
6. in the present ministry of the Holy Spirit by whose indwelling, the Christian is enabled to live a godly life.
7. in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
8. in the spiritual unity of believers in our Lord Jesus Christ.
9. in God’s design for marriage and the Family and the parents’ role in educating and equipping their children.
10. in the sanctity of human life.

LCS Standards of Conduct

“Let no man despise your youth; but be an example of the believers in word, in conduct, in love, in spirit, in faith, in purity.”
1 Timothy 4:12

It is the goal of Lincoln Christian School to maintain high standards of behavior. It is important that students show respect towards spiritual things, as well as teachers and others in authority. Students should be courteous and respectful toward each other.

Conduct in the building, halls, restrooms, and classrooms should be quiet and orderly. When entering the building, students should become quiet and move in an orderly manner to their classroom or activity.

Damage to or loss of school property must be paid for by the student responsible.

Children are taught to obey teachers, respect others and treat others with courtesy.

Injury Procedures
If a child becomes ill at preschool, a parent/guardian will be contacted and expected to pick him/her up ASAP. The School Nurse may be consulted.

In case of severe injury, 911 is called, then school nurse and parent/guardian. If a parent cannot be reached, the designated “emergency contact” is called. Until the arrival of a parent/guardian, paramedics/School Nurse/teachers will make care decisions for the child. The parent is expected to assume responsibility for any resulting expense.

ALWAYS, Keep school records up-to-date.

First Aid
The LC Preschool First Aid Kit is ALWAYS available and inaccessible to children.

Unsafe Behavior

If a student attempts to cause physical harm to another person, a warning of termination will be given. If he/she attempts again, enrollment will be terminated immediately.

Authorizations

Preschoolers can ONLY be released to a pre-authorized adult. Pre-authorizations should be written although a verbal notice works as well.

ID Lanyards

EVERYONE must wear their ID Lanyard while in the building, every time.

Late Pick Ups

Guardians must **pick up their preschooler on-time everyday**. Fatigue/anxiety affects a child’s sense of well-being and teachers have meetings planned after class.

If a parent is unavoidably detained, they must notify the elementary office (x 1) immediately so the preschooler can be reassured.

There is an overtime charge ($10) for late pick ups. Consistent late pick ups will be cause for dismissal.

School Closings
The school will close if weather makes it dangerous to travel. Cancellations will normally be made the morning of school or the night before. On such days, announcements will be made by local outlets. An email will be sent to school families. LCS typically follows LPS in regard to school cancellation BUT each case will be determined on a case by case basis.

Grievance Policy
Parents/Teachers will first address the person with which they have a concern, calmly and confidentially. If the concern continues, include the Director. If not resolved, address the matter with the Elementary Principal. If still not resolved, address the Superintendent and Board in writing.

Directory
A Preschool Class Directory is published at the beginning of each school year. The Directory contains names, addresses and phone numbers of families enrolled in each class.

Show ‘N Tell
Show ‘N Tell days are Thursdays/Fridays each week. Clean items are placed in the Show ‘N Tell Basket upon arrival. Labeling the child’s name is encouraged. Each child will have the opportunity to Show and Tell something. This is NOT mandatory.

Toys from Home
Children do not bring items/toys from home except for Show ‘N Tell.

Birthdays
LC Preschool wants to celebrate each child! If her day falls on a non-preschool day, the parent should communicate a new plan with the teachers, to schedule a suitable celebration day. Birthday celebrations are special. Parents may bring a special snack for the class.

Written Invitations to Students
IF a student wishes to invite classmates to an activity outside of school and invitations are given at school, they MUST be for the entire class, or for all boys, or all girls, to prevent hurt feelings.

Solicitation
LC Preschool may not be used as a setting for solicitation.
Assessments
Twice each school year, LC Preschool teachers conduct a formal Developmental Scan/Assessment for each student. These Assessments entail Phonemic and Number Concepts, Articulation and Cognition; along with Social, Fine Motor and Large Motor Development.

Parent/Teacher Conferences
Following both Developmental Scans/Assessments a 20-minute Parent/Teacher Conference is scheduled. This happens to enable deeper conferring together.

The Academy Assessment satisfies the Kindergarten Screening requirement for LCS Kindergarten Enrollment.
Field Trips & Special Visitors

Field Trips enhance learning by offering experiences unavailable in the classroom. Parents are notified of upcoming field trips at least 2 weeks in advance. Parent Permission is noted during Enrollment.

Parents/guardians are responsible for providing transportation to and from field trips for their child. A guardian must remain with the student for the duration of the field trip.

Special in-house events are scheduled to enhance the weekly themes as well.

Book Orders

Periodically, LC Preschool parents are eligible to order books from Scholastic book club. These books are offered at exceptional prices to allow families to build their home libraries. Most are paperback. Hardcover are specially designated. When parents order through Scholastic.com, LC Preschool receives points with which to order free books. If you choose to order, go online to www.scholastic.com/bookclubs; sign up/in. Use “Class Code” GRNWY.

LC Preschool is notified with each order. Books arrive a couple of weeks after the due date.

LC Preschool does not endorse all the materials offered by Scholastic.
Special Events

Beginning of the Year Meet ‘N Greets

Each school year, Meet ‘N Greets are hosted in class before school begins. Families are able to meet & greet the teachers and other families in their class.

Grandparent’s Days

Grandparents and/or Special Friends are invited to spend some time in their grandchild’s classroom during class. This day typically occurs in the fall.

Early Ed. Christmas Program

Every Christmas season, Kindergarten and LC Preschool students have the opportunity to participate in a public performance of music & drama.

Spring Program and Graduation Ceremonies

Every Spring, each LC Preschool class has the opportunity to participate in an End of the Year celebration.

K for a Day

Families with pre-kindergarten aged children are invited to meet the kindergarten teachers and visit the classrooms, in order to become acquainted with the LCS kindergarten experience. K for a Day takes place on various days in February and March.
Standards of Dress

Lincoln Christian School requests the parents’ support by instructing their children in Christian modesty and appropriate dress.

Students should be neat, clean and modest. Tight-fitting and/or extremely loose garments are not appropriate. Dress should not become a distraction or create contention. We appreciate your support in this area.

Overarching Standard: Question on dress not specifically addressed here will be clarified by the Director as they arise.

Writing/Graphics: Any writing/graphics on any article of clothing or accessory, must represent a message that promotes Godly character and is in-line with school values.

Shirts: Skin on the stomach and back must be covered at all times. No undergarments may be worn as shirts. Sleeveless dresses and tank tops for girls are permitted. A two finger strap width is a good guideline. Boys are not permitted to wear tank tops.

Shorts/Pants: Shorts/pants must have a hem; rips/holes are not allowed. Long athletic shorts and cotton sweat pants may be worn as long as they are neat, clean and modest. Tight clothing must be worn under something (layering) like leggings, yoga pants, etc. Tighter fitting, non-transparent pants are allowed with long shirts that are a length that promotes modesty by fully covering the buttocks. Clothing should not be excessively baggy or sag.

Skirts/Dresses: When standing, students must be able to place their palm so their index finger touches their knee and their wrist touches their skirt or dress. If the hand can’t reach both, the skirt/dress is too short. Students should wear shorts or leggings under dresses/skirts in order to be modest while sitting and/or playing on the playground.
Hats/Head coverings may not be worn during school.

Hair must be kept neat, clean and modest.

Boys are not allowed to wear earrings.

Extremes—No extremes are allowed such as hair color, piercings, etc. as they can quickly turn into areas focused on challenging accepted standards or seeking individual attention.

Resources for teaching modesty and helping decide about an outfit’s appropriateness for school can be found at the address below. Our prayer is that this resource will bless your family as you tackle this tricky subject.

Volunteering

Volunteering

Volunteering is a vital part of LC Preschool!

To volunteer in/out of the classroom, tearing, cutting, coloring, gluing, cleaning toys, guiding preschoolers at centers, leading a party center or chaperoning a field trip, a Volunteer Application is required to be on file.

School dress code should be followed. There are no siblings allowed during volunteer situations.

Other ways to volunteer out of the classroom are undertaking minor repairs, donating supplies, sharing ideas with teachers and recruiting future preschoolers!

What’s in Your Backpack?

What’s in your backpack? Out on the playground
It’s empty today. I ran like the wind.
Where’s your work? I learned to take turns
Did you just play? And helped a hurt friend.

When I built with blocks Story time is what
I learned about shapes. I always like best.
I balanced and shared – I can use my imagination
Our skyscraper was great. And give my body a rest.

I played in the windy house I sang and danced —
And talked with my friends. Learned a finger play, too.
I rocked a baby I answered questions
And played pretend said, “Please” and “Thank you.”

In science I observed, There will be time
Guessed, and experimented, too. for worksheets and tests,
The same things grown up But talking and playing
Scientists do. Is how I learn best.

Art was messy. I love to go to school.
I created and explored. I’m glad I’m me.
I solved my own problem An empty backpack
When I spilled glue on the floor. Means I’m learning you see!

My fingers got a work out
With puzzles and clay.
Those same muscles
Will help me write one day.
Grounded in Biblical TRUTH!
