

# Lincoln Christian School

## We've gone mobile!

- Use the attached scan code with your phone camera to go straight to the app. Once you reach the “AWARE” screen, click on the orange circle with the apple symbol inside.
  - OR - Go to the app store and type in “Lincoln Christian School.”
- You will be prompted to log in using your FACTS login. Remember that the District Code is “LCS-NE.” Once a month, you will be asked to log in.
- You do not need to create a profile when prompted at the beginning.
- Secondary students are encouraged to download the app as well and use their FACTS login information to access everything they need! Secondary students know that their username is first name last name with no space in between. If they forgot their password, they can select “Forgot password” and perform a reset.
- All seventh-twelfth grade new students will be set up with a FACTS login within their first week of school.
- Please click “allow” in order to allow the app to send you notifications. This will make it possible for us to send important reminders.

**Download our app today to get started!**
